This Mask is FREE from 6 kinds of chemical ingredients that are harmful to the skin.

This Mask Pack is a 'Pure mask' that excludes chemical ingredients destroying the skin.

A mask pack that can be used with confidence.

The key ingredients of RE·mask pack

This mask contains EGF, hydrolyzed collagen, hyaluronic acid, and soy isoflavones and has an excellent effects on skin regeneration, removal of fine wrinkles, and skin elasticity enhancement.

EGF
Skin damage recovery Deep wrinkles care

The diagram shows the chemical structure of EGF, which is a polypeptide consisting of 53 amino acids. It features a cyclic heptapeptide loop at the N-terminus and a C-terminal dodecapeptide chain. Key residues include cysteine (C), histidine (H), and tyrosine (Y).

Hydrolized Collagen

Effective in anti-aging Increases skin elasticity

Hyaluronic Acid

Hyaluronic Acid
Moisturizing the skin with natural moisturizing particles

Soy Isoflavones

Soy Isoflavones
Maintaining the skin's radiance and soothing the skin

What is EGF?

EGF (Epidermal Growth Factor) refers to a component that promotes epidermal cell proliferation and growth. It proliferates fibroblasts in the skin tissue and synthesizes them with existing cells. It proliferates the production of granulation tissue. It regenerates collapsed tissue, prevents skin aging, and reduces pigmentation in the process of wound regeneration.

- Prevention of skin aging
- Anti-wrinkle effect
- Cell tissue synthesis
- Prevention of pigmentation
- Blood vessel creation

Hydrolzed Collgen

What is Hydrolyzed Collagen?

Hydrolyzed Collagen is a type of amino acid and has a high content of serine, so it directly helps to improve wrinkles. It promotes the capillary function of the skin to facilitate metabolism, and makes the dermis layer healthy, giving elasticity and radiance to the skin. It is a safe protein ingredient that is good for skin elasticity, makes healthy skin, and prevents wrinkles and aging.

- Prevents skin aging
- Provides skin elasticity
- Moisturizing
- Anti-inflammatory and soothing
- Reduces pigmentation

Hyaluronic Acid

What is **Hyaluronic Acid**?

Hyaluronic acid exists in the dermis of the skin to maintain the structure of the skin and attract moisture. It maintains the structure of the skin and promotes the production and maintenance of **collagen and elastin**, which are important for skin elasticity.

It is effective in maintaining **moisture by fixing moisture** in the skin and preventing moisture evaporation.

- Strong moisturizing
- Skin cell activation
- Skin texture cleanup
- Skin regeneration
- Moisture retention

Soy Isoflavones

What is **Soy Isoflavones**?

Soy Isoflavones are known phytoestrogens found in soybeans. Soy isoflavones, which are abundant in soybeans, provide deep **moisturizing effect to dry and brittle skin**. It delivers rich nutrients to **make the skin firm and soft**. It increases the ceramide in the skin and gives vitality to the skin.

- Rich nutrients
- Strengthen skin barrier
- Improving skin texture
- Improving skin vitality
- Water-soluble vitamin B

The key ingredients of RE·mask pack

①

Excellent for anti-aging and fine
lines Contains black caviar extract

What is Black Caviar Extract?

Caviar is ingredient extracted from Atlantic Sturgeon (fish) eggs. The ingredient of rare and valuable caviar gives the skin a rich radiance and vitality. It has excellent nutritional properties, helps to maintain skin elasticity and moisturizes the skin, helping to prevent wrinkles and aging.

Black diamonds for skin

❤️ 💬

#RE· Mask Pack #Regenerated Mask Pack #Nice Mask Pack with No Harmful Ingredients

This mask pack does not contain harmful ingredients, so it is perfect for people with sensitive skin like me! RE· Mask Pack with good ingredients ❤️

❤️ 💬

Not only whitening but also hydration, anti-aging, and elasticity improvement, I think I can see all the effects after one use
#dermatology mask pack #premium mask pack #RE· #redness soothing #high moisturizing

❤️ 💬

When I woke up in the morning, I was surprised to see my skin tone! Even after keeping it on my face for about 20 minutes, the moisture did not dry out!
I think I will continue to use it ❤️❤️

❤️ 💬

It was the changing seasons, so my face was dry and flaky, but after the mask pack, it felt like my skin filled up well and it started bright and very moist! Although it contains a lot of essence, it is not sticky and has good absorption
